

SYSTEM-WIDE STUDENT CODE OF CONDUCT

Ethical and responsible student behavior is an essential part of the educational mission of our schools. To that end, the School Board has developed this System-Wide Code of Conduct with input from school staff, students, parents, and the community. The code defines our expectations for student behavior and provides the framework for a safe, orderly and respectful learning environment.

Article 1 Standards for Ethical and Responsible Behavior

The Code of Conduct is intended to support and encourage students to meet the following RSU 19 community standards for ethical and responsible behavior:

- CommUNITY – minded when committed to a mutually supportive climate that ensures the safety and well-being of each individual.
- Compassionate when recognizing and responding to the needs of others.
- Courageous when standing for beliefs in the face of challenge, defending moral and ethical decisions and accepting the results of their actions.
- Honest with self and other in words, deeds and actions.
- Respectful of people, property and environment.
- Responsible by honoring commitment and being accountable for their words, deeds and actions.
- Fairness – all people treaded equally.

Article 2 Code of Conduct

All students are expected to comply with the Code of Conduct and all related School Committee policies and school rules. The Code applies to students:

1. on school property;
2. while in attendance at school or at any school-sponsored activity, or
3. at any time or place that such conduct directly interferes with the operations, discipline or general welfare of the school.

Article 3 General Behavior Expectations and Discipline Policies

The following expectations for student behavior are fundamental to a safe, orderly and respectful environment in our schools. Each student will:

1. Be courteous to fellow students, staff and visitors.
2. Respect the rights and privileges of other students and school staff.
3. Obey all School Board policies and school rules governing student conduct.
4. Follow directions from school staff.

5. Cooperate with staff in maintaining school safety, order and discipline.
6. Attend school regularly.
7. Meet school standards for grooming and dress.
8. Respect the property of others, including school property and facilities.
9. Refrain from cheating or plagiarizing the work of others.
10. Refrain from vulgarity, profanity, obscenity, lewdness, and indecency.

Violations of the Code of Conduct may result in disciplinary action. Disciplinary consequences depend upon the seriousness of the violation and the student's prior disciplinary record. Consequences will range from a verbal warning for minor misconduct up to and including expulsion for the most serious offenses. Behavior that also violates the law may be referred to law enforcement authorities.

JKD Student Suspension and Expulsion*

Article 4 Expectations

The following is a summary of RSU 19's expectations for student behavior. In many cases, the School Board has adopted policies that address these expectations in greater detail. Students, parents and others should refer to the policies and student handbooks for more information about the expectations and consequences. In case of an inconsistency between the Code of Conduct, School Board policies and/or school handbooks, the School Board policies will prevail.

A. Violence and Threats

Students shall not engage in violent or threatening behavior. Prohibited behavior includes fighting, assault and/or battery, taking hostages, threats to commit violence against persons or property, or threats, intimidation, or harassment. Violations may result in disciplinary action up to and including expulsion.

Students also shall not use any object, although not necessarily designed to be a weapon, to inflict bodily hard and/or to threaten, intimidate, coerce or harass another person (examples include but are not limited to bats, lighters, tools and toy weapons).

Firearms violations will result in expulsion in accordance with state and federal statutes; other weapons violations may result in disciplinary action up to and including expulsion.

See policy: JICIA Weapons, Violence and School Safety

C. Hazing

Hazing is prohibited. Maine law defines injurious hazing as “any action or situation, including harassing behavior, that recklessly or intentionally endangers the mental or physical health of any school personnel or a student enrolled in a public school”. No student shall plan, encourage, or engage in such activities in connection with any school program or activity, including extracurricular, co-curricular and athletic activities. Students who engage in hazing activities are subject to suspension, expulsion and/or other appropriate disciplinary measures.

See policy: ACAD Hazing

Students should not discriminate against other students on the basis of race, color, sex, religion, ancestry, national origin or disability. Nor should students harass one another on the basis of race, color, sex, religion, age, ancestry, or national origin or disability. Sexual harassment is also prohibited. Harassment is grounds for disciplinary action up to and including expulsion.

Article 5 Removal of Disruptive/Violent/Threatening Students

- A. Students who are disruptive, violent, or threatening death or bodily harm to others will be removed from classrooms, school buses, or other school property when necessary to maintain order and safety. The staff member who orders the student removed should arrange to have the student escorted to the office or other designated location.
- B. If a student does not comply with a staff member's order to leave, the staff member will contact an administrator, or, if not available, another suitable person, who shall respond promptly.

RSU 19 also has established a policy on the use of time out rooms and therapeutic restraints as required by Maine statute.

See policy: JKGA Time Out Rooms and Therapeutic Restraint

Article 7 Referrals to Law Enforcement Authorities

The Superintendent and administrators have the authority to seek the assistance of law enforcement authorities when there is a substantial threat to the safety of the schools, students or staff. The Superintendent/administration may also inform law enforcement authorities when they have reason to suspect that a student or staff member may have violated a local, state or federal statute. All serious offenses, as determined by the Superintendent, must be reported to law enforcement authorities.
