

HAZING

Maine statute defines injurious hazing as “any action or situation, including harassing behavior that recklessly or intentionally endangers the mental or physical health of any school personnel or a student enrolled in a public school.”

Injurious hazing activities of any type, either on or off school property, by any student, staff member, group or organization affiliated with this school unit, are inconsistent with the educational process and shall be prohibited at all times.

Hazing is a behavior that targets another due to a real or perceived difference in status. Forms of hazing have been used as initiation to certain clubs, organizations or activities. Actions that involve harassment and/or violence are prohibited. These include behaviors that cause emotional anguish or physical discomfort in order to feel like part of the group, and behaviors that have the potential to cause physical and/or emotional or psychological harm.

“Acts of intimidation” include extortion, menacing, direct or indirect threats of violence, incidents of violence, bullying, statements or taunting of a malicious and/or derogatory nature that recklessly or intentionally endanger the mental or physical health of another person, and property damage or theft.

No administrator, faculty member, or other employee of the school unit shall encourage, permit, condone, or tolerate injurious hazing activities. No student, including leaders of students’ organizations, shall plan, encourage, or engage in injurious hazing activities.

Students who violate this policy may be subject to disciplinary action which may include suspension, expulsion, or other appropriate measures. Administrators, professional staff, and all other employees who violate this policy may be subject to disciplinary action up to and including dismissal. Principals may suspend and/or recommend expulsion of students who violate this policy based upon the facts of each case and in accordance with applicable state and federal laws.

In the case of an organization affiliated with this school unit that authorizes hazing, penalties may include rescission of permission for that organization to operate on school property or to receive any other benefit of affiliation with the school unit.

Persons not associated with this school unit who fail to abide by this policy may be subject to ejection from school property and/or other measures as may be available under the law.

These penalties shall be in addition to any civil or criminal penalties to which the violator or organization may be subject.

The Superintendent/designee shall be responsible for administering this policy. In the event that an individual or organization disagrees with an action—or lack of action—on the part of the Superintendent/designee as he/she carries out the provisions of this policy, that individual or organization may appeal to the Board. The ruling of the Board with respect to the provisions of this policy shall be final.

This right to appeal does not apply to student suspensions of 10 days or less or to matters submitted to grievance procedures under applicable collective bargaining agreements.

A copy of this policy shall be included in all school, parent, and employee handbooks or otherwise distributed to all school employees and students.
